

You Choose:

Sütthe Full Spectrum Hemp CBD

OR

CBD Isolate

Choose Sütthe.

Feel, See, and Taste the Difference:

The difference between whole plant, water-compatible CBD fluid and a CBD isolate is huge. Don't miss out on the best CBD option available.

100% Plant, 0% Additive: Sütthe's whole plant fluid provides the full medicinal profile of hemp cannabis, delivering a full spectrum of terpenes, flavonoids, and cannabinoids.*

A Difference You Can Taste: We extract over 90% of the active, whole plant ingredients, maintaining the unique flavors and taste, without isolating any single compound.*

Two Dots for Two Drops: Every drop of Sütthe is water-compatible, making Sütthe the most absorbable and bioavailable CBD on the market. With just two drops, you'll feel the difference Sütthe makes.*
