## WREMAC Required Courses and Documentation

We welcome you on board to our company! If you are a certified responder (CFR, EMT-Basic, AEMT, AEMT-Critical Care, AEMT-Paramedic) you will need to meet the below requirements to be considered an “on-line” provider.

Please ensure the following documentation is on file with us at Tri-Community. Without these documents, Tri-Community will *not* be able to clear you to operate at your scope of practice.
