| Part # | Size |
|--------|---------|
| 142157 | 5 Gal |
| 142155 | 55 Gal. |
| 142159 | Bulk |

BUG SOAKER

Tech Data Sheet

A great cleaner designed to soften bugs and clean the vehicle. Usually pre-applied to hoods, grills, and wind dodgers. Wash away bugs with pressure washer, without the usual hard scrubbing. This product is slightly gelled to cling to the surface and not dry or evaporate before bugs are softened.

Benefits

- Gelled to enhance "cling" and improve dwell time
- Safe on all surfaces, including polished Aluminum
- Will not damage paint
- Biodegradable

Applications

- Use through pump-up sprayer or low pressure spray
- Allow Bug Soaker to dwell prior to washing for best results

Precautions

- No specific precautions apply to this product. Consult the Safety Data Sheet for general safety guidelines.

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap concentration may be adjusted to compensate for changes in these conditions.
