A report to the court is a written document that is prepared in a particular format, which enables an attorney to file the report with the court.

Written Recommendations: \$200.00/hour – One hour minimum.

This is usually in lieu of a testimony and often used at mediations. In this statement, Dr. Baker is asked to provide a recommendation for visitation, residency, or some other factor affecting the children.

Document Processing: Request for document/file copies will be billed at the rate of \$200 per hour. This will also include copying, mailing and notarization of documents. This office has a fourteen-day window for producing documents.

Stand-By Time: Fees will be assessed for hours that require her to be on stand-by, or available by phone. These fees may be up to \$50.00/hour.

I have read and understand all of these costs. I agree to pay for these charges if Dr. Baker is asked to provide any of the above-mentioned services. I understand that upon request to provide these services I will be contacted by the office to bring the estimated amount or provide a credit card number immediately, before these services will be provided.
