ETPIM Global Newsletter
Pastor Mireille Desrosiers,
Chief Editor

Praise be to the God and Father of our Lord Jesus Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ. For he chose us in him before the creation of the world to be holy and blameless in his sight. In love he predestined us for adoption to sonship through Jesus Christ, in accordance with his pleasure and will — to the praise of his glorious grace, which he has freely given us in the One he loves. In him we have redemption through his blood, the forgiveness of sins, in accordance with the riches of God's grace...

In him we were also chosen, having been predestined according to the plan of him who works out everything in conformity with the purpose of his will, in order that we, who were the first to put our hope in Christ, might be for

the praise of his glory. And you also were included in Christ when you heard the message of truth, the gospel of your salvation. When you believed, you were marked in him with a seal, the promised Holy Spirit...

Hallelujah! What a Promise! The Eternal, Omnipotent, Omniscient God, has everything under His control, and He knows the end from the very beginning. God will always have the last say, because of His Sovereignty. He is the Almighty! Can no one tell us how it all started. A surprise to many, the theory of the big bang is not it either.

God is eternal, that means He is everlasting or existing forever, with no beginning and no end. According to Eph 1:3-11, BEFORE He made the world, which means, the Earth, the peoples, the natural features, He had us in mind. Hope-

fully, we're understanding more and more why satan hates us so much. Before Adam was placed there, the Garden of Eden was under satan's control (see Eze 28:13-14) God had clothed him with precious stones — *ruby, topaz, and diamond, beryl, onyx, and jasper, sapphire, turquoise, and emerald*, and God had *ordained* and *anointed* him as the mighty angelic guardian, and was on the holy mountain of God. We know that God who is omniscient, knowing everything, foreknew that satan would eventually sin and would get kicked out of Eden. Indeed satan was beautiful in appearance, but nowhere in the Word of God does it say that his status was comparable to ours. God made us in His image and His likeness, but lucifer was made of precious stones, of musical instruments. He

Grounded in Gratitude *by Sister Marie Gonet*

God's Love, Freedom, Faith, Health, Shelter, Family and Friends. *I will bless the LORD at all times; His praise shall continually be in my mouth. My soul will glory in the LORD; let the poor hear and be glad. Magnify the LORD with me, and let us exalt His name together! I sought the LORD, and He answered me, and delivered me from all my fears.* Psa 34:1-4

"I am so thankful that the Lord is as close as the mention of His name! There is a scar in my mind to remind me how great God is and how tragedy can be used to testify of His goodness. My life is a testimony after so many miraculous examples showing what Jesus has done for me. What an amazing God!" Right now I am at a crossroad and I want to pay attention to the talents God has given me. I want to develop them, and use them to help others and glorify His Holy Name. The Reverend and the people at my church have asked me to take part in different activities such as: (1) be one of the facilitators to a support group every Thursday night. (2) the facilitator every Tuesday night for the small group to 40 days of prayer, a book we are studying written by Pastor Rick Warren.

I thank God for His confidence in me. With the help of this prayer ministry, I am able now to open my mouth boldly to praise and glorify God, to pray for God's children, faithfully answer God call to serve, also with the help of the Holy Spirit and the Word of God, I am able to powerfully rebuke the enemy.

I would like to express my utmost gratitude to Pastor Johnson and Pastor Mireille. I choose to be grateful everyday before I put my feet on the floor every morning by thanking God for everything He gave me, He had done for me, my family, love ones and friends. It's so important to bring gratitude to the forefront of our daily lives, not just during a special holiday, but all year long. Living a life of gratitude is a choice. Life doesn't have to be perfect in order for us to give thanks. We can choose to be grateful, regardless of our circumstances. Although, it may sound a bit corny, it's true: It pleases the Lord when we have an "attitude of gratitude." Gratitude changes who we are inside and enables the Lord to shine His love

through us as we touch the lives of those around us. Scripture exhorts us to approach the Lord with thankful hearts. Here are just a few examples: "*Enter His gates with thanksgiving and His courts with praise. Give thanks to Him, bless His name. For the Lord is good; His lovingkindness is everlasting and His faithfulness to all generations.*" Psa 100:4-5. "*It is good to give thanks to the Lord, and to sing praises to Your name, O Most High; to declare Your lovingkindness in the morning, and Your faithfulness every night.*" Psa 92:1-2 "*Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you.*" 1 Thes5:16-18. Our lives are transformed when we allow heavenly gratitude to fill our hearts and spill over into our daily lives. By fixing our eyes on Jesus and all He has done for us, we can be more than conquerors in whatever situations we face. Rom 8:37

I look forward to seeing what comes in the future for all ETPIM Global members and hope to be around in this life long enough to participate, even in a small portion, of ETPIM's harvest. I keep asking myself "what can I do to express my appreciation and gratitude to ETPIM Global?" For now, all I can do is keep praying, and hoping one day I will honor the ministry the way God wants me to, including Pastor Johnson and Pastor Mireille. What a privilege it is to be a part of such an amazing ministry, filled with such amazing people! I cannot imagine any possible way to truly express my thanks for having that now and what I can to look forward to every day. Many happy returns will be to each of us for working so devotedly and diligently for the benefit of all. It warms my heart to know that what we have done over the past eleven years has gone all over the world and have brought many blessings to so many. It will always be one of the highlights of my 10 last years with ETPIM Global. I am so humbled by Pastor Mireille vast wisdom and patience, so inspired by so much effort being invested into ETPIM

Global USA, ETPIM Global India and now ETPIM Global Haiti by our brothers and sisters, all working with the unwavering goal of planting seeds all over the world. Making themselves accessible, teaching, sharing, inspiring, reaching out, giving a shoulder, and showing the way to attaining the peerless enlightenment and always benefiting others. I offer big thanks and love to all who worked so hard for so long to create this amazing ministry for people of all ages. Pastor Mireille refuses to accept NO for an answer, she is very persistent. When she started ETPIM Haiti on Jan 1, 2018, as Haitian she invited me on that prayerline. I accepted gracefully without realizing what she was planning. I was shocked to see my name on the schedule to pray especially in creole. It is difficult for me to pray or read the Bible in creole like I heard the other saints do as it takes me so much time to read even one sentence. One of the sisters realized how difficult it was for me said "I will ask God to give you more words so you can pray more fluently in creole. I think I am doing a little better. I am trying but creole is hard. Holy Spirit I need Your help. To God be the glory.

Thank you Pastor Mireille, for all you have done in putting this ministry together and managing it. I am writing today to let you know how much I appreciate ETPIM Global and all that you do with people all over the world. I am constantly amazed when I receive each newsletter and see all that is being done under your kind guidance. Again thank you for all your hard work and dedication to this ministry. We are all blessed by your work! Thank you from the bottom of my heart.

"We cannot do great things on this Earth, only small things with great love." Mother Teresa *"If the only prayer you said in your whole life was, 'thank you,' that would suffice."* Meister Eckhart *"Saying 'thank you' creates love.. Gratitude is not only the greatest of virtues, but the parent of all the others."* Cicero *"The hardest arithmetic to master is that which enables us to count our blessings."* Eric Hoffer *"Wherever there is a human being, there is an opportunity for a kindness."* Seneca

Prolonged fasting 're-boots' immune system

By [Catharine Paddock PhD](#) - Published Fri 6 Jun 2014

Shared with ETPIM Global by Sister Fiona Watson

Results of a new study on mice and a phase 1 trial of humans suggest that prolonged cycles of fasting - for 2-4 days at a time - not only protect against toxic effects of chemotherapy, but also trigger stem cell regeneration of new immune cells and clearing out of old, damaged cells.

The study, by researchers from the University of Southern California (USC) in Los Angeles, and published in the journal *Cell Stem Cell*, is the first to show that a natural intervention can trigger regeneration of an organ or system through stem cells.

The team believes the findings could benefit people with immune system damage, for example if they have received chemotherapy treatment for cancer. It could also benefit the elderly whose immune systems are weakened through aging, making them more susceptible to disease.

The scientists say prolonged fasting appears to shift stem cells of the immune system from a dormant state to an active state of self-renewal.

Results from experiments with mice and a phase 1 human clinical trial showed that long periods of fasting significantly lowered levels of white

blood cells. In the mice, it flipped a switch that changed the signaling pathways of hematopoietic stem cells - a group of stem cells that generate blood and immune systems.

"We could not predict that prolonged fasting would have such a remarkable effect in promoting stem cell-based regeneration of the hematopoietic system," says Valter Longo, a professor of Gerontology and the Biological Sciences at the USC Davis School of Gerontology, and director of the USC Longevity Institute.

He says that when you stop eating, the body uses up stored glucose, fat and ketones, and also recycles worn out and damaged immune cells.

"What we started noticing in both our human work and animal work is that the white blood cell count goes down with prolonged fasting," he explains. "Then when you re-feed, the blood cells come back. So we started thinking, well, where does it come from?"

In mice, prolonged fasting replenished worn out immune cells with new ones

The researchers found that fasting for 2-4 days reduced PKA, an enzyme that is involved in extending lifespan in simple organisms.

In mice, prolonged periods of fasting - repeated cycles of 2-4 days with no food - over the course of 6 months, killed older and damaged immune cells and generated new ones.

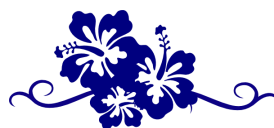

During each fasting cycle, the drop in white cell levels triggered a stem-cell based regeneration of new immune cells. In particular, prolonged fasting reduced PKA, an enzyme that the team had previously discovered is involved in extending lifespan in simple organisms.

Other studies have also linked PKA to the control of stem cell self-renewal and pluripotency - the extent to which they can become different cell-types.

Prolonged fasting also led to a drop in IGF-1, a growth factor hormone linked to aging, cancer and tumor progression.

Switching off the gene for PKA is the key step that triggers the stem cells to shift to regeneration, Prof. Longo says. "It gives the OK for stem cells to go ahead and begin proliferating and rebuild the entire system."

Make Your Request *by Sister Trish Dolphin*

You can ask for anything in my name, and I will do it, so that the Son can bring glory to the Father. You may ask me for anything in my name, and I will do it.

John 14:13 NLT

"Praise ye the Lord., Blessed is the man that feareth the Lord, and delighteth greatly in his commandments. Wealth and riches shall be in his house: and his righteousness endureth for ever" Psalm 112:1-3. The scriptures said for us to fear and delight ourselves in the Lord to receive what He has commanded for us with understanding being enlightened; that ye may know what is the hope of His calling, and what is the riches and of the glory of his inheritance in for the saints Eph. 1:18. To fear is to honor and delight is to rejoice. To me, it sounds like that God is telling us that He has already made a way for us to believe Him and do what he asks us to do.

Hebrews 4:15, 16 says: *For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are with out sin. Let us therefore come boldly unto the throne of grace that we may obtain mercy, and find grace to help in the time of need.*

Unfortunately, some people might not know how to make a request of God through prayer but have dream of having their needs met by just waiting on God to see when He will supply in any giving area. Now, even though God is the only wise God (Jude 25), He wants us to **Make Your Request** to Him

as His children to come boldly, **make it plain!, make it plain!** Surely, as we also believe Him in using the faith that He gave us freely, we can receive freely, rejoicing with thanksgiving as we wait for the manifestation of our request, **claim it now!, claim it now!** For this is the heritage of the servants of the Lord and our request will come from God who deserves all the glory in meeting every needs. Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God, 1 Cor 2:12.. but God gave the increase (1 Cor 3:6). Surely, if we receive the witness of men, the witness of God is greater: for this is the witness of God which He hath testified of His Son, He that believed on the Son of God has the witness in himself: he that believeth not God had made Him a liar; because he believeth not the record that God gave of His Son. And this is the record, that God hath given to us eternal life and this life is in his Son.

Make Your Request! in the Name of Jesus Christ the Son of God and be a witness that God is not a man, that he should lie; neither the son of man, that he should repent; hath he said it and shall he not do it? or hath He spoken, and shall He not make it good? (Num 23:19)

...continued from page 3

And the good news, he adds, is that the body also rids itself "of the parts of the system that might be damaged or old, the inefficient parts, during the fasting. Now, if you start with a system heavily damaged by chemotherapy or aging, fasting cycles can generate, literally, a new immune system."

In a clinical trial involving a small group of cancer patients, the team also found that fasting for 3 days before receiving chemo-

therapy protected them from its toxic effects.

While chemotherapy saves lives, it also causes significant damage to the immune system, and the team hopes their findings show that fasting may help to minimize some of that harm.

Meanwhile, there is no suggestion that people should try to get these same effects by prolonged fasting, which should only be done under medical supervision.

More clinical studies are now needed to test the effectiveness of the approach in humans and also examine the side effects.

Prof. Longo says they are now investigating whether these same regeneration effects work with other systems and organs as well as the immune system. His lab is already planning further animal studies and clinical trials.

15 Spiritual Goals Every Christian [Lady] Should Try for the New Year

<https://www.projectinspired.com/15-spiritual-goals-every-christian-girl-should-try-for-the-new-year/>

1. Reading the Bible from start to finish.
2. Seeking or growing a relationship with a mentor.
3. Having the discipline to take more time offline to get in touch with yourself and God.
4. Fasting when making an important decision.
5. Listening more to understand others while speaking, and assuming less.
6. Finding a solid church and/or Bible study group to plant yourself into.
7. Regularly journaling about the revelations you're having about your life in each season to reflect back on and track your growth.
8. Setting aside time to give back by serving or volunteering in a church or community setting.
9. Going through counseling, therapy or a support group to hash out deeply rooted habits and hang-ups.
10. Using discernment to make better boundaries about when to say "no" so you can focus on where God is directing you.
11. Getting a planner or using a calendar to steward your time and tasks more responsibly.
12. If single, actually take the year to find contentment within yourself and security within God without a guy.
13. If in a relationship, reevaluate where you guys are spiritually and what you should put in practice to grow.
14. Spend more time with creation by going on a hike, retreat or nature walks more often.
15. Invest in a prayer journal or prayer wall to record prayer requests and answered prayers and watch how God is moving in your life.

The Sealed Deal ... continued from page 1

was given the task of guarding the garden, but we were given the dominion over everything in the world. Because of pride, he messed up big time and God kicked him out. When he got kicked out, the effect of his fall created chaos on the earth and that's when the Word of God said that creation started so God could restore order. Even after our fall, our status remains far superior over his.

Eph 1:3 says that because we are united with Christ, God has blessed us with every spiritual blessing in the heavenly realms. Even BEFORE He made the world, God loved us and chose us in Christ, to be holy and without fault in His eyes. (v.5) God decided in advance to adopt us into His OWN Family by bringing us to Himself Jesus Christ. Furthermore, it says "*it gave Him great pleasure.*" That's why God is so passionate about us. Yes! It is true that we got deceived by satan to turn that control, domin-

ion over to him in the Garden, but God, who is so mindful of us, reversed it all. He used great men through the Scriptures such as Noah, Abraham, Moses, Joshua, David, as foundation to eventually bring Christ into the picture, so full restoration could take place for both the Jews and the Gentiles alike. Thus, we are here today, and satan is still having temper tantrums about it. Regardless, God's plans will continue to move forward as we step into the scene and working at leaving our footprints behind us, passing the torch onto the next generations. When we come to understand what God had in mind for us, we will see the great MUST to resist the plots and plans of darkness so we can live in His light to enjoy our full potential in Him.

Please see our next issue for the development and conclusion of this article ...

Our Vision Statement

As an end-time Prayer Ministry, our mandate is to pray the will of the Father on the earth, as revealed through Prophetic Insight and Foresight.

Our Mission Statement

Our objective is to build an army of effective, fervent Intercessors, Prayer Warriors and Watchmen. By using in-depth Biblical Teachings and Principles as well as relevant Vocational Training, our goal is to equip and empower them to discover and enhance their divine calling and propel them into fulfilling their God-ordained purpose and destiny for the nations.
