## President's Message:

This year is flying by! Before you know it, it will be Christmas again! Guess I better get started on those Christmas gifts I didn't get done for 2019!!!

I am looking forward to our Symposium. I hope all of you sign up for some of our great classes. We have lots of wonderful teachers and beautiful projects. And we will have a great lecture from Michelle May at the end of the day.

Thank you to all who have volunteered to take positions to help with the workings of our Guild. We also have elections coming soon for our elected positions. So if a Nominating Committee member asks you to help, please don't immediately say no! Take a day and think about it. You might be surprised how much you would love to help with your Guild!

## Special Projects

On Feb. 7, a delivery was made to CHKD by Sherry Behun, Kim Beatley, Karen McFadden, Yvette Cienski, Kim's granddaughter, Sam and I. We delivered five quilts for teens with cancer, 15 baby quilts and 52 fabric hearts for NICU. These items were turned in after the Service Project Challenge ended last September.

I want to thank Sherry Behun and Kim Beatley for chairing Service Projects for the past two years. They did a great job. Thank you to the members that support these causes so generously.

Joan Kelly and I made a delivery to Riverside Hospital on Feb. 14. We delivered 11 baby quilts, 52 fabric hearts, three lap quilts and one quilt for the "No One Dies Alone" Hospice Program.

Gala Damato

Please Don't Forget...

... to wear your Guild Name Badge to every meeting. We want to get to know the name as well as the face! Those not wearing their name badges will be fined fifty (.50) cents.

This was our first delivery to Riverside Hospital since last fall. Riverside allows our Guild to use the Riverside Warwick Conference Center for our Night Chapter meetings free of charge. Thank you to the members that have made all of the quilts and hearts. Please continue to do so, as there continues to be a need.

Joan Kelly will be accepting Service Projects at the Day Chapter meetings. Candy Byrd will accept Service Projects at the Night Chapter meetings. If you would like to help, please contact them.

## Air Force Academy Pillowcases

We held a workshop on Friday, Feb. 14 after the Day Chapter meeting. We had a lot of fun; and, between some pillowcases donated before the workshop and our hard work, we currently have **85** completed pillowcases and **35+** kits out to be completed. If you would like to make some pillowcases for this event, we have directions on our Guild web page. I will collect all completed pillowcases next month at our Day and Night meetings and then put them in the mail. If you would like to make a donation to cover the cost of shipping that would be appreciated also.

I hope to have 150 pillowcases to send for this event. Thank you for your support!!

Carol Richardson

### A New Monthly Column with Quilting Tips!

**Quilt — where are you: (a column of suggestions for quilters at any stage of life)**

**Gala Damato** suggested that since I talked so long at the February Day meeting and didn't get to ask people their ideas on how to cope with age-related limitations, a substitute might be a recurring section of the Newsletter with tips from everyone. We will try it, and I would love to have input from lots of people. If you have something to share, please send your tips to me, **Kitty Tully**, at [kittully@hotmail.com](mailto:kittully@hotmail.com), or phone me at **757-851-8726**. I will appreciate your help.

**Gala suggests:** Join a Bee and/or go to Courthouse Way Recreation Center on Thursdays where tables are set up on which to sandwich quilts (she doesn't like to crawl around on the floor anymore to do that job).

**My suggestions are:** Make sure your lighting is good; do what you love; change your blade often; try cutting while sitting down using a small table set up at its lowest level. The one I love sells at Walmart for \$20 and is also useful for pressing until you get to really large sections; and, try going to retreats. You get large periods of quilting time, social time and no one asking you to make dinner.

**Gretchen Martin suggests:** Use bright fabrics because you can see the colors better; use fabric with busy patterns because it hides errors; batch work; spray starch on scraps and use a slotted ruler to cut squares; and, throw out leftovers.

**For young or inexperienced quilters:** Take advantage of local workshops to get to know Guild members, and also to pick up pointers on how to quilt. Isobel's quilt classes from Newport News Parks and Recreation would be another source to learn your skills and also meet other quilters.

# Mystery Quilt

Here's the final set of instructions showing how the blocks are to be put together! Completed quilt top is due at the March 2020 PPQG Quilt meeting. Remember, you only need to have the top completed, it doesn't have to be quilted and or have a binding.

I want to thank everyone that has hung in there and made it this point. Congratulations, I hope you enjoy your quilt as much as I will enjoy mine.

9. Layer and baste the backing, batting and quilt top.

10. Quilt as desired. Bind the quilt with the 2½-inch focal fabric strips.

## PPQG Service Projects

Each year PPQG members participate in small service projects. Our current projects include:

### For CHKD

- Comfort quilts for babies in CHKD NICU that get to go home but don't have a good prognosis. You can use bright, happy fabrics and a good size is 30 x 36.
- Bereavement quilts in soft, muted colors approximately 26 x 26 in size.
- Fabric hearts for babies in NICU can be made with cotton or flannel.
- Throw size quilts for teens with cancer made with cheerful, fun fabric. A good size is 40 x 60 but can be smaller or larger.

### For Riverside Hospital

- Baby quilts for families with a need at Riverside. A good size is 30 x 36.
- Fabric hearts for babies in NICU at Riverside can be made of cotton or flannel.
- Throw size quilts for Riverside Hospice "No One Dies Alone" program. A good size is 40 x 60 but can be smaller. Most patients are elderly. The quilts will be given to family or friends following the passing of the patient along with journal notes made by volunteers.

Turn in completed projects at the Guild meetings. Joan Kelly will collect at the Day Chapter meetings. Candy Byrd will collect at the Night Chapter meetings.

Here is a picture of a quilt delivery to CHKD. Since school was out as Grafton Middle School, Sam Beatley, was able to help deliver quilt to CHKD on Feb. 6. She is shown here with Sherry Behun and one of the quilts for teens with cancer.

Jeanne announced that Candy Byrd had agreed to take over the Service Projects for the Night Chapter and Joan Kelly agreed to help with the Day Chapter. Jeanne said that we were still in need of a Day Program Chairman and Carol Richardson volunteered to serve. Jeanne reminded us that the Nominating Committee will be seeking candidates to serve for the upcoming year and to please consider any position if they approached you. Try not to respond with an automatic no, but really consider serving our Guild. **Library** - Lisa Hartman gave a report on the library and the number of old books currently in stock. She asked if we could sell some of the current stock and purchase new books to restock. A motion was made by Terry Hansen and seconded by Debi Cross. Motion carried.

Carol Richardson said we still have plenty of room in classes and take advantage of the variety.

**Challenge Quilts** - Rhonda Gianturco asked that all members who wanted to show their Challenge Quilt at the Mid Atlantic Quilt Show should turn them into her today or set up a time to meet her so she can pick them up.

We do bereavement quilts, quilts for teenage chemo patients, hearts for NICU, baby quilts, and Riverside chemo patients.

**Air Force Pillowcases** - Carol Richardson was contacted concerning donations of pillowcases for the graduating cadets at the Air Force Academy. A total of 900 are due and she is hoping that are Guild would help and has set a goal of 150. There will be a workshop following the meeting to get us started.

**VCQ-** Bonnie Timm, representative from the VCQ introduced herself and ask that we check them out at [vcq.org](http://vcq.org).

They are accepting squares in a minimum size of three-inches and maximum size of six-inches. At least 1,000 squares are needed and they are trying to not have any repeats.

**Local Workshops** - On March 13, Linda Dagenhart will be teaching a workshop (Jelly Roll Jam) following the Day meeting. Cost of the workshop is \$12. Cathy Fowler said that there would be a workshop May 8 on EQ8. There is currently a sale on the EQ8 of 25 percent off through Feb. 16.

**Block of the Month** - Marilyn Rivera and Pat McGough presented the Block of the Month due in March (Sticks and Stones). **Program** - The program today was presented by Kitty Tully. She showed some vintage quilts, starting with a quilt that was given to her when she was one years old by her grandmother. She showed a quilt, "Art of the Ellipse" from 1970 and gifted this quilt to fellow Guild Member Rita Lopes, who was more than excited that she was able to own it. Most of the quilts that she presented were her entries in the Guild challenges over the years. She loves going to retreats and enjoys the people she meets. It was a very interesting and entertaining presentation. **Door Prizes** were won by Patsy Bowman, Sue Cundiff, Mona Hendrickson, Sara Ware, Pat McGough, Kitty Tully and Monica Brogan. **Birthdays** were announced and fat quarters selected.

Vicki Marsh, Day Secretary

## Bon Air DJJ

This is a message from Roy Mitchell and the young men from Bonair DJJ:

Yes, we would appreciate the embroidery machine and any other machines that members are willing to donate. My goal is to gather enough machines for the students that are released so they can continue the art of quilting by preparing them with a quilting kit when released. The items that they are requesting are large cutting mats and anything else is much appreciated.

Thanks, Roy

## Honor Quilts

Thank you to everyone that continues to support the Honor Quilts program. I appreciate quilt top kits being taken and turned back in, the making of quilt tops of your own and donating, for all the quilting/long-arming and binding that is being done and given back to this program. I will continue to bring quilt top kits, as well as quilts to be quilted and the binding put on to the meetings. Without your support, this service project would not be possible.

A quilt has been given to NN Police Officer Katie Thyne's partner. A special quilt, donated by Linda Odell, was given to Officer Thyne's two-year old daughter, Raegan. I am currently working to get quilts to two servicemen's families that have recently passed in the line of duty.
