Hand Down, Man Down!

Would your child like to be a scoring machine?

With our Hand Down, Man Down Clinic your child will learn how to see and utilize the many opportunities of scoring.

We will teach the techniques, that will immediately improve your accuracy, range, and quickness in shooting.

Drills will consist of 100 shots in 8 minutes, shooting off-screens, shooting off-dribble, lay-ups & runners, game situation shooting, free throws, and learning how correct a missed shot. Remember, there is a difference between a good shooter and a great shooter.

Highlights

- * Proper shooting technique
 - * Catch and shoot
 - * Shooting in traffic
 - * Shooting off the dribble
- * Creating space for your shot
 - * Footwork
 - * Lay ups
