

LINN-MAR LION PRIDE ON THE DRIVE 2020
Linn-Mar Varsity Poms

The Linn-Mar Varsity Poms launched the first Linn-Mar logo driveway painting fundraiser in the fall of 2019. We were thrilled to see the positive reaction and request for the logo painting. We will begin painting in April/May and hope to have summer dates as available.

We will reach out those who sign up to group on to a few evenings and weekends.

All funds raised go toward the Linn-Mar Varsity Pom designated fund at the Linn-Mar School Foundation. This fund supports the nationally recognized program with needed equipment and scholarships.

The logo is 3' X 3' in red and white (see below) and will be positioned near the end of the driveway, above the sidewalk and centered unless you specify otherwise. Spray paint is semi-permanent and can be power washed off at your discretion. The logo can also be placed on basketball courts or patios.

To order your LM logo please email
lmvppaintmydrive@gmail.com.

Cost is \$60 per logo painted.

See back page for details on ordering.

Your contacts for this project are

Sara Mentzer and Chris Frantz.

Please do not contact Linn-Mar High School directly with questions.

LM Logo Driveway Painting

We are excited to be coming to your residence for Linn-Mar Logo Painting! Here are a few tips before we arrive:

We can only paint on residential areas. You **MUST** be present to have the LM Logo painted. **We cannot paint without a resident of the home present.**

LM Logos must be placed above the sidewalk in the area between the sidewalk and your home. We are not allowed to paint on or below the sidewalk according to city policy. We cannot paint on walls, fences, or other surfaces that are not on the ground.

We will paint red, white and black trim LM Logo on driveways.

Logos will stay on concrete up to two years. The paint we use is not permanent. Weather conditions and driving over the LM Logo on a regular basis will wear down the paint. Power washing will also aid in removal, if desired.

PLEASE DO NOT DRIVE OVER the LM Logo for at least 30 minutes after painting. It is best if cars are moved out of the garage before we arrive.

If it is raining on the day of your painting, we will call you to determine an alternate day and time to paint. To ensure a quality painting the surface must be dry for at least 4 hours. If weather is an issue there is no guarantee that you will be scheduled on the same day, but we will do our best to reschedule in a timely manner.

We will call you as we are on our way to your home- this way you will have a heads up to gather family members or neighbors. We survey the area for the LM Logo and then paint. If there is excessive loose material (dirt, rock, salts) on your driveway please sweep the area the day of the painting. After painting, we will take a picture of you and your new LM Logo with at least two members of the Linn-Mar Varsity Poms.
