

# I PEEL lightening lift® peel

### product

Uneven complexions have met their match. This results-driven treatment combines the most innovative and effective botanical brighteners luminescine and seashine® with echinacea plant-derived stem cells and anti-aging peptides immediately leaving the skin younger looking and luminous.

#### skin type

Pigmentation, photo damage, sun/dark spots, melasma

## benefits

This powerfull AHA in an organic aloe vera gel base targets and corrects all forms of pigmentation to leave skin even toned and illuminated.

## directions

Refer to professional treatments section.
