

Safety and Liability Waiver

Creative Sewing Workshops

I, _____, by signing, acknowledge that sewing requires the use of hot irons, sharp scissors, needles and pins when constructing a project. All of these can cause injuries, but every effort has and will be taken to provide a safe place to learn. Accidents can happen and sometimes be unavoidable while using or misuse of the equipment. Creative Sewing Workshops and owner, Melanie Knoblauch, or any member of her family, will not be held liable for any and all accidents of this nature.
