Meal restrictions/Medical Allergies:

Please list all food or medical allergies or sensitivities your child has. If food related, a week before camp we will email you a menu, in order to help you prepare and pack item substitutions that are necessary for the week.

One on One Worker:

U-Turn Ranch campers participate in groups that are supervised by our staff. A camper who finds group participation challenging (follow group directions, make safe choices, speech, toileting or comprehension) is welcome at U-Turn Ranch, however we require those campers to participate with a one on one worker, provided by the family. Failure to inform U-turn Ranch of these needs, may result in the camper requiring a one on one worker for the remainder of their camp week, or dismissal.

U-turn Ranch is not responsible if a one on one worker is unable to be arranged, and a refund will not be issued. Please feel free to contact the ranch office if you have any concerns regarding this, before registering your camper.

Physical, Behavioral, or Medical conditions:

*Does your child have any conditions (mental, physical, behavioral or medical) Please list below. The more details the easier it is for us to ensure your child has a great week at camp. Please attach a note if needed.

*Due to the structure of our program, U-Turn Ranch requests that medication required regularly at home, be sent with your child to camp. These will be stored and administered by our camp nurse.

*All medication including vitamins or for example Tylenol, must be turned in at registration to the camp nurse. Please label all medication and vitamins with camper's name and directions for use.

Prescription medication **MUST** be in the original container with user's name printed on the label.

* Health and safety are emphasized at all times at U-Turn Ranch. We have a qualified 1st aid person on staff, and a hospital 15 minutes from the camp property. All ranchers must have medical insurance.

COVID UPDATE

We would like to ensure that everyone applying for camp realizes that this summer will look a little different.

- We are very excited to offer a program for our day camp only, as overnight camp has been cancelled.
- Public health has given us regulations to increase our hygiene care of campers, staff and facility. We will be adding hand washing stations and staff will be ensuring that campers wash hands between activities and before each snack/meal appropriately.
- At this time groups of 10 are suggested. We are implementing 2 staff to 8 campers. This group will physical distance from all other groups, and in their group physical distancing will be promoted.
- We are not enforcing the use of masks, but rather promoting physical distancing.
- We will continue with regular activities including a horseback riding lesson for each camper; however our petting farm will be closed for this summer and full camp wide games will not be permitted. We appreciate your understanding should we need to adjust due to Covid19.
- Drop of and pick up will look different. We ask that parents remain in their vehicles and our staff will greet campers, do Covid screening, take temps and take them to their travel group.
- If our screening points to Covid, campers would be required to return home and receive clearance from Public Health before returning to camp.
- If you have further questions or concerns regarding our Covid response, please contact our office prior to registration.
- Public Health Day Damp regulations can be found on our website registration page.
