**THE BRIGHT SPOT: If you think someone could use a friend, be one.**

\*\*\*\*\*

**STUDENT OF THE WEEK: KENZIE CAMPBELL (GRADE 1)**

What kind of music do you like to listen to? Carrie Underwood      My favorite smell is: Strawberry

Where do you like to shop? Wal-Mart

Three words that describe me are: gymnast, "K", weird

I am pleased to announce Kenzie Campbell as this week's student of the week. Kenzie is an awesome helper in our classroom. She is always willing to help her friends, while still getting all of her work done. She always checks over her work to make sure it is her best and strives to have a perfect paper. Kenzie is happy to do whatever she's asked without being asked more than once. She is also an awesome friend and role model to her classmates.

**Congratulations Kenzie! -Mrs. Schenker**

**BELLS & WHISTLES: to Mrs. Bartz for subbing in the kitchen. - Mrs. Warmbrodt**

\*\*\*\*\*

**Preschool:** Welcome to October where it can 80 one day and 40 the next! This week we have been talking a lot about Fire Safety. We really enjoyed the trip to the fire station on Tuesday. Thanks to those parents who were able to come. This Friday we are very excited to head to Fun Time Farms. We are not going to be the only group there, so the more parents I have the better this trip will be! We plan to leave Hudson at 8:15 and will leave Fun Time Farms somewhere around 11. Please make sure to dress in layers. It is always cooler in the corn. We usually take a hayride as well. I have had some volunteers for drinks and plates/napkins for our Halloween party. If you would like to help with a snack or a game, please let me know this week. Have a great week! I can't believe October is halfway over!!! -Miss Stacie

\*\*\*\*\*

**Kind/1<sup>st</sup>:** This week we will be working on the letter "Cc" and sight word "a". First grade, don't forget that our spelling tests are on Wednesdays! Remember to practice at home. In math we are working on finding the missing number and word problems. We should be finishing up our book in the next week or so! It will be published and back to us before Christmas Break!! Don't forget that we have half-day on Friday. -Mrs. Schenker

**"Pumpkins, hot apple cider, warm sweaters, fluffy scarves, boots... these are all things we have to look forward to in the coming weeks." -Unknown**

\*\*\*\*\*

**2<sup>nd</sup>/3<sup>rd</sup>:** 1) We have a spelling quiz on Friday. We will test in History next Wednesday! 2) We'll be working on ecosystems this week in science! In history, we're working on our communities. In Math, we're working on fractions. 3) We're collecting pop tabs. Hurry and send them in! They are due this week! Check out the website for school events coming up! Have a great week! -Miss Ettlin

\*\*\*\*\*

\*\*\*\*\*

**4<sup>th</sup>/5<sup>th</sup>:** 4th and 5th graders have a busy week ahead! 4th grade will quiz over 4's and 5th grade will quiz over 4's and 5's in multiplication on Friday. In Science, both grades will have a test on Thursday and 5th grade will make cell models today. In Lit. Circle, students will be reading Ch. 2-6 and will present roles on Friday. In Social Studies, 4th graders will be presenting their oral history projects today and 5th graders will be reading about battles of the Revolutionary War. 5th graders will also have a states and capitals quiz over #1-10 on Friday. AR Book Requirements for the quarter are due Wednesday! Please send in pop tabs for the 1st Quarter by Wednesday. Have a great week! -Ms. Mott

\*\*\*\*\*

**6<sup>th</sup>/7<sup>th</sup>/8<sup>th</sup>:** This week marks the end of the quarter. I can't hardly believe it. The end of the quarter finds us working on various story elements, such as conflict and characterization within the stories from our reading books. We will continue to refine our Patriot's Pen essays. In math, sixth grade is working with the nature of fractions, including the use of models to demonstrate part/whole relationships, and vocabulary related to circles. Seventh grade is working on prime factorization, operations with fractions, and multi-step problems. Eighth grade is working on area and perimeter of complex shapes and using the unit-multiplier method to convert measurements. By now, you've received information on students' diorama projects. By Wednesday of this week, I want the kids to have communicated which story they've chosen. **Tests this week: 6th and 7th Social Studies -Mr. Ewing**

\*\*\*\*\*

**DID YOU KNOW?** Amanda Ast from the Bates County Extension Office will be coming to Hudson again this year to offer nutrition classes for the students? They will not only learn about nutrition but will have the opportunity to taste different foods. We appreciate her including us again in this 6-week program that begins October 16<sup>th</sup>.

\*\*\*\*\*

**MUSIC:** We started working on Christmas music on the recorder! We are sounding pretty good! Keep up the good work!  
-Miss Stacie

\*\*\*\*\*

**CHARACTER ED:** This week we worked together in groups to solve codes. The older students were able to crack the codes to a fun Halloween riddle. We had to learn how to do decimals and then put them in order from greatest to least. The 2/3 grade class worked on word problems and had to use math to get the answers. I demonstrated working in a group to study our October Character Ed word "camaraderie". We learned that when we work together well in a group we can solve problems correctly. Have an awesome week! -Miss Stacie

\*\*\*\*\*

**CONGRATS** to our September **Academic Stars:** K/1) Kenzie Campbell, 2/3) Braelynn Munsterman, 4/5) Baylor Brownsberger, 6-8) Chase Mott

\*\*\*\*\*

\*\*\*\*\*

**RED RIBBON Dress Up Days:**  
**Monday, October 28th**– Head to toe, I'm drug free (wear crazy hats, hair and socks)  
**Tuesday, October 29th** – Take pride in being drug free (Patriotic attire -wear red, white, blue)  
**Wednesday, October 30th** – Drugs are a flop (wear flip flops)  
**Thursday, October 31st** – Spook out drugs (wear Halloween costumes)  
**Friday, November 1st** – Wake up drug free (wear pajamas)

\*\*\*\*\*

**MISC:** Wondering what to do with those carved pumpkins after Halloween? Don't just pitch them. Turn them into bird feeders. Put a few inches of birdseed along the bottom. Enlarge the openings to make it easier for the birds to eat. Then enjoy the many different birds (and probably a few squirrels) that will feast at your jack-o'-lantern turned bird-o'-feeder. – (The Missouri Conservationist)
