## **COMMERCIAL DEBT RECOVERY**

We recognize that commercial clients often enter into agreements which the other parties may fail to fulfil. Attempting to negotiate personally may fail which is where our services will be required. We assist you in collecting debt as expeditiously as possible to minimise the effects to your business.

Our attorneys are effective and knowledgeable with regard to the laws applicable to commercial disputes. We provide a complete debt recovery service from initiating the debt recovery to filing enforcement documents if necessary. We can also bring claims for any consequential losses suffered as a result of the monies not being paid to you when it was legitimately owed.

Our Commercial Debt Recovery services include:

- Pre-Action Settlement
- Civil Litigation
- Enforcement Proceedings
