NEWSLETTER

VOLUME 58 August 2014

Welcome to the month of SALA, hope you get a chance to see some of the wonderful exhibitions on display in S.A. My exhibition opened on Friday August 1st and is open until August 15th. Below is a picture of one of the rooms David and I have set up in his studio. Next to that picture is one of my Backgrounds and Beyond artworks of which I have made 6. Each one uses a techniques and materials I will teach in the Backgrounds and Beyond workshop scheduled for October.

I also have some work in the Murray Bridge Studio Gallery exhibition. I have used painted paper towel with organza overlays and bobbin work stitching. The works had to be 10" x 12" in size, so I collaged towel onto cardboard then freehand machine embroidered cut out circles and overlays of texturised organza. Pictured far right. The Mannum Dock Museum has recently opened a gallery shop with artworks from artist in the region. I was asked to contribute to the shop and you will find some of my scarves and gift card there.

My new website is live now, I have designed it myself on Vista Print.
