

# Pregnancy & Infant Loss Virtual Walk October 2019

Our Pregnancy & Infant Loss Awareness Virtual Walk is a month long event to spread awareness and start conversations about Pregnancy & Infant Loss. The virtual walk will take place during the entire month of October, Pregnancy & Infant Loss Awareness Month.

## What is a virtual walk?

A virtual walk is a unique way to get involved on your own terms. It is a walk that takes place anywhere at any time. No need to sign up for a specific day and time at a specific location. You can walk when it works best for you. Walk as far as you want at any location. Join a group of friends and/or family and walk together. Run if you want. The goal is to spread awareness about Pregnancy & Infant Loss.

## How does it work?

When you register, you will receive an awareness shirt to wear when you walk. Take pictures during your walk. Send your pictures to us and we will post them on our social media pages and website. Post your pictures to your social media pages. You can also talk to people you meet during your walk and tell them why you are walking, share your story.
