Finding the words to describe our experience regarding the events of July 25th has been less than easy. We CAN say... Joyful, Grateful, & Expansive are three words that describe how David & I FEEL. Coming together in Cooperation and Co-Creation with Human Masters and Etheric Masters has opened our Consciousness to new levels of Awareness and Potentials that we are still in the process of integrating.

Our day began with a re-enactment of our Souls' Journey Home through the process of being ONE... Separating... and becoming One again-and-again in this Now time. You will see all of us Dancing through this experience throughout the Newsletter. 😊

After our Journey Home we embraced an understanding of the 12 Rays of Light. This was in preparation for opening clear channels to the 12 Rays of Light and their Masters/Chohans.

Suzy shared insights as to the New Year being one of planting seeds, and working cooperatively with others. She also shared a personal message for each of us stemming from our Galactic Signature that is key to understanding the purpose and outcome of our conscious creations.

Rosemary shared her knowledge and wisdom regarding Grids and expanded our awareness by enlightening us further to the overall purpose for this event... and beyond. She and David channeled & collaborated for grid alignment & procedures.

Carol shared her Intuitive and Artistic talents by presenting each of us with personalized Insightful artwork of our Galactic Signatures. The images portrayed knowledge of our energetic platform which will allow us to embrace our lives more consciously. Her presentation was funfilled.

Seeds of intention for ourselves and the world were planted and we then opened personal doors of potentials before participating in the actual Ceremony.

During the ceremony we each held a specific Ray position as we placed and aligned crystals of intention. We then radiated our Love and Intentions out to Earth, Humanity and all of our Galactic Families.

The Fairy Garden

Have tea and connect with the Fairies to embrace the Joy & Love they hold for humanity. You will feel deLIGHTful as you are being uplifted by their elemental energy.

Joke of the Month

Why do Masters of the 12 Rays cross the road?

Answer:

To get to the home of the budding master!

Second Joke

*Knock... Knock...
Who's There???
(If no-body's are there)*

(Now You Know)

This was followed by an invocation to each Master/Chohan of the Ray to open connection and communication through our newly formed Intergalactic Grid.

A Beautiful description as to what was felt is relayed in this message by Suzy:

"Rosemary... when you put down the last crystal it activated the energy instantly. The pink tornado flew around the rays, in sequence and carried the energy up into the universe then flowed back down in sparkling adamantine particles. Energy looked like a torus. Then a 2nd larger pink tornado swept us all up and carried us far out beyond earth. Together we allowed the energy to flow through us as we sent it back surrounding planet earth with adamantine particles. This is the gift we all generated! What a sight to behold. This was the message from Yeshua."

We Appreciate ALL who supported us physically and etherically. Special thanks to; Alda, Anthony, Carol, John, Pauline, Rosemary, Suzy, and Tamara for your participation in initiating, activating, and anchoring New levels of Energy.

Message of the Month

At the beginning of our ONE-TLC Board Meetings, an informative message is usually channeled from an Intergalactic Ascended Master. (I AM's) This is a segment of the last one:

"When reality appears to be lighter, translucent, and eventually transparent, you will know you have arrived back to where you have always been".

12 Ray Consciousness

Ray Two carries the frequency of the color Blue and is governed by Master Joshua. We can invoke this Light when we desire the ability to hold more peace, & tranquility.

The qualities of this Second Ray are **love, wisdom, humility, patience & tolerance**.

Coming next month: Ray Three ~ Master Serapis Bey

The Carmine Connection and ONE-TLC appreciate all donations and contributions for the continued development of the Center and Facilities.
