

Donna Stanley Webb - Class of 1977

My most vivid memory is Mr. Herron saying, "We will have school with or without you."

Southeast Memories

During high school, my family lived at 5427 Norton Ave. Two of my family members also graduated from Southeast:

- Barbara Stanley Burris SE'78
- Larry Stanley SE'80

I remember these classes and teachers:

- Band, Mr. Dorch
- Math, Clarabell Julian and Leo Lazzo
- Food, Doris Bailey
- Business, Fannie Simmons
- Clothing, Jeanne Finter

I attended Homecoming 1977 and participated in C.O.E.

Beyond Southeast

Outside of school, I had a part-time job and took care of my brothers and sisters.

After graduation, I got married, had a baby and got a job. Currently I am working at Municipal Court.

My message to other Southeast graduates is to always do your best at whatever you do. Always keep God first in your life, and ask Him to help you in what you do.
