

What is a CHRISTIAN?

How is everyone doing? I am praying that none of you has gone insane with staying home all the time. I miss you all and hope we can get back together soon.

On to the lesson then, so the last couple of weeks we have talked about who Jesus is. The weeks before, we had talked about what he has done. So what happens after you commit your life to Christ? Is it all set so you can go on living any way you like? Or are you on lock down where you no longer get to have any fun? What does it exactly mean to be a Christian? Let's go to the scriptures and figure this out.
