A Message from the Business Manager

#GivingSunday #GivingWeek

Tuesday, November 27th was what was known as #GivingTuesday. This is where millions of people in every country come together to give back.

In the most generous year yet, people across the United States raised \$380 million online this year to support nonprofits that are doing our communities' most critical work. They have now surpassed a billion dollars!

Wouldn't it be great if we as the church would do the same. If we could unite together with a common goal of giving back so that the church can continue to be helpful in the community. That is the goal of the church to be the salt that God has called us to be, which has become literally impossible because of the lack of funds.

Let's unite together this Sunday, and the rest of the week to give back to God as He has instructed us to do. Starting now and for the rest of this week, go online and give a special sacrificial offering. The website address is: www.risingstarbc.org. Try it today.
