

# VERTICAL JIGGING BLANKS

## Custom Builder Vertical Jigging Rod Kits

The most exciting new way to catch fish virtually anywhere in the world. These Mud Hole Exclusive Custom Builder Vertical Jigging rod blanks have been developed to withstand the stresses put on this new fishing application and handle anything you put on the end of it. Experience this amazing new Jigging system with extremely light weight and powerful Custom Builder Vertical Jigging Rod Kits.

Prototyped and developed in the United States, these rod blanks are constructed from a carbon tape and multi-modulus modulus weave mixture along with a single ply of glass fabric. Finish: gloss black.

**Kit contents:** black EVA foam grips (13" rear, 8" foregrip), American Tackle deluxe graphite reel seat with stainless hoods (conventional kits feature trigger seats), Nylon gimbal with fitted PVC cover, black Halko guides & tip and a pre-fitted vinyl winding check.
