Faith in God is believing that there is one and only one God of the universe. Some people don't believe there is "a God". They believe either there are many gods or God (Jehovah) doesn't exist. Christians believe there is one God period. We understand that there may be many gods, however, there is no God like Jehovah. Because of this belief, we trust (have faith) in Him to save, keep and provide our every need. Because of our faith in Jehovah, we believe we win all the time.

Our faith works because:

1. *We believe there is one God – Hebrew 11:6 (KJV)*

2. *We believe that faith without works is useless - James 5:17 (NKJV, TLB)*

3. We believe in applying faith – Exodus 14:1-4, 10-31 (NKJV)

- a. We believe faith comes with obedience –
- b. We believe while we are in obedience, fear and doubt are present
 - Are you acting like Moses?
 - Are you acting like the Israelites?
 - Are you acting like Pharaoh?

Job 8:7 (NIV) "Your beginnings will seem humble, so prosperous will your future be."

Haggai 2:9 (KJV) 9 The glory of this latter house shall be greater than of the former, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts.

- a. We believe God is going to get the glory
