

To free the spirit of Australia from a slide to extinction we must encourage the divorcing 40% of our young couples to stop fighting each other; encourage growth to birth of the 22% of the embryos we've been aborting; inspire our youth to have their very own children & inspire honour & respect for our elders & their experiences.

LOVE is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it doesn't record wrongs. Love doesn't delight in evil but rejoices with the truth. It always protects, always trusts, always hopes. Love never gives up. *Corinthians 13:4-8* GOD IS LOVE *1 John 4:8*

Pray: First Father of us all, bring Your healing to Australia & beyond. Amen.

HAVE YOU HAD ENOUGH?

A PEOPLE'S COMMISSION FOR AUSTRALIA

1) 3 million abortions have produced a total loss of about 4 million of our relatives since 1969 when State laws first enticed it.(1) Now, we are not working, playing, arguing & sharing with; caring for & being cared for by brothers, sisters, sons and daughters and their children, who would be emotionally attached to us as relatives. Innocent children have suffered the most, trust is lost and hearts are hardened.

Like me then, have you and our children suffered enough from laws that encourage abortion? YES NO (circle your answer)

*Do to others as you would have them do to you (Luke 6:31 of Bible)
Children are a gift from God (Psalim 127:3)*

2) About 16 million of us have been affected by divorce since 1975 when no fault divorce family laws first enticed it. (2) Relationships between about 8 million Australian husbands, wives and children have been severely affected with a further 8 million grand parents, estranged, families and friends having lost relationships and lifestyle indirectly. Innocent children, many now adults, have suffered the most, trust is lost and hearts are hardened.

Like me then, have you & our children suffered enough from laws that encourage divorce? YES NO (circle your answer)

*A man shall..hold fast to his wife & the two shall become one flesh. (Mark10:7) Bible.)
God hates divorce (Malachi 2:16 8 of Holy Bible)*

3) Enticed innocent children could face the ruin of their reproductive systems & suicide rates up to 20 times that of the ordinary population. As a quickly growing number are influenced mentally by transsexual enticements.3 Programs like "Safe Schools" & infectious peer pressure 4 are dramatically increasing the number of them who believe that their sex is different from their genitals. The 2018 same sex marriage laws encourage this. A child naturally born to one partner may be denied the right to both natural parents.5 Innocent children will suffer the most!(6,7) Trust will be lost & hearts hardened.

Like me then, will you & our children suffer from laws that affect their health and reproductive power? YES NO (circle your answer)

"It would be better for him if ... he were cast into the sea than that he should cause one of these little ones to stumble" (Luke 17:1-2)

4) Laws influencing assisted suicide such as euthanasia are slowly being introduced into Australia (8) using a very small number of emotionally driven cases as advertising, like the changes to abortion, family & marriage laws did. As with the relaxation of these same laws, it will lead to greater temptations. Carers, the mentally ill, family members & governments could coerce the termination of life by various methods for any people who burden them. Our old and the infirm would suffer the most, **trust would be lost and hearts would be hardened.**

Like me then, could you and the old & infirm suffer from laws enabling assisted suicide? YES NO (circle your answer)

"Woe to the one by whom the temptation comes!" (Matthew 18:7)

5) The first lines of Australia's Constitution acknowledge that Australians humbly rely on the "blessing of Almighty God" & each new parliamentarian takes their oath saying, "So help me God." Every Australian can claim the overall help & blessing of Almighty God's wisdom & forgiveness found in His Word, the Bible. And commission laws that profoundly affect our lives, relationships & physical & mental health. **3 million babies lost to abortions since 1969 is about 30 times more than all Australian soldiers who have died protecting our population in all wars (11).** Laws regarding abortion & euthanasia issued by each State have failed to provide proper protection. Dealing with destructive laws affecting the lives & deaths of millions of Australians is clearly a Federal issue of National Emergency.

Like me then, do you commission the Australian Parliament to diminish immediately the effects on our population of divorce, abortion, homosexuality & assisted suicide by overhauling laws to encourage the value of:- lasting man/woman marriage; children & the unborn; the reproductive power of our youth; & our aged and their experiences, as directed by Biblical principles.

YES NO (circle your answer)

'Unto us a Son is given & the government shall be upon his shoulders.'

IF YOU FIND IT TOO DIFFICULT TO RISE AGAINST OR UNDERSTAND THESE NATIONAL POPULATION DISASTERS, PLEASE READ ON

6) Has your spirit of goodwill faded so you cannot rise against these National Population Disasters? Either through paralysis from the fear of being accused of allowing it to happen, e.g. pride, stubbornness, sex addiction, other addictions, peer pressure, ignorance, sex outside the security of marriage, being bullied, mentally blocking it out, laziness & the like. Or the blindness of arrogantly "playing god" and making it happen, by creating laws that seem to make it feel OK to do. Many churches & leaders listen to small, loud angry groups & allow these laws. Whilst the division of the proven unit of trust - the family of biological mother, father & children goes on. One way or another, most of us can be blamed for this Emergency. We may show unreasonable anger or sullenness if someone else blames us. We may avoid objecting because we are guilty of being arrogant or fearful.

Like I was, are you blinded by arrogance or paralysed by fear & cannot object because you feel guilty? YES NO (circle your answer)

Surely there is not a righteous man on earth who does good and never sins. (Ecc17:20)

7) Whenever we truly recognise the guilt of fear or arrogance in ourselves we need someone to admit it to, or we will forever feel condemned in our spirit. Someone is needed to have complete trust in. An innocent Man, who lovingly carried out amazing miracles for many people, allowed them to release their arrogance & fear & angrily kill him when things didn't go their way. He refused to fight back & even asked Almighty God to forgive them as he died. **This is someone to truly trust.** It's recorded that Jesus rose from the dead without human assistance, gave instructions to his followers & then rose bodily into heaven as predicted. He left his Spirit of total renewal as a sign. Anyone who truly admits their spirit of arrogance or fear in rejecting His Spirit & remorsefully asks for total forgiveness from Jesus, is renewed into His absolute goodwill as they were always meant to be. It can be done any way you like as long as it is heartfelt. You begin to understand the meaning of life in Jesus' logic, which are in his stories in the Bible.

Like me then, do you admit your guilt; are very remorseful to Almighty God. And accept His forgiveness & plan for real freedom? YES NO (circle your answer)

Jesus, dying, said: "Father, forgive them, for they know not what they do." (Luke 23:34)

8) You will be in tune with who you were really meant to be! You softened heart is freed to the logical truth. Dealing with guilt Jesus' way brings freedom, effective action, assertiveness, greater imagination & a spirit of goodwill to all, as it was always meant to be. Like any restored relationship, blaming, complaining, gossiping & trying to earn the next good feeling are gone. Freedom from guilt of each sin comes as we find & admit them by puzzling & acting through the ultimate logic of Jesus' Words and stories in the Bible.

Like me then, are you now free to encourage everyone to real freedom in Jesus Great Commission YES NO (circle your answer)
