

Linda Johnson Wilson - Class of 1973

Southeast Memories

In high school, I was part of Freshman Student Council, FHA and Spanish Club. I ran track, was a Freshman Cheerleader and was on the Tower Staff. I participated in YFC and the Black Dance Troupe.

My family lived at 1840 East 77th Street during the years I attended Southeast.

I remember my English teacher, Ms. Webb.

My most vivid memories are of the Black Dance Troupe and C.O.E. I worked part-time at Old American Insurance Co.

After graduation, I worked full-time as a secretary/administrative assistant and got married in 1975.

My message to other Southeast graduates:

“Troubles don’t last always; continue to follow your dreams.”
