

UNMASKING BIBLE TRUTHS SCHOOL

UBT School was launched in Kenya in July 2018! There are several Training Centers where classes are conducted.

Over the decades there have been many clear and plain Bible Truths that have been hidden behind false interpretation and false teaching. There are truths contained in the Bible that have been hidden for generations. The Bible is a simple book to understand, and yet there are truths of God that have not been fully experienced by most since the first century church. Tradition, interpretation, false doctrine, unsound teaching, doubt, unbelief, and suspicion have been used by those opposing the Truth to conceal the clear teaching of Scripture. There are no unconditional covenants or promises in the Bible. The intention of Unmasking Bible Truths is to unmask the hidden truths and possibilities, that have been concealed from us for much, if not all of our lifetime. The courses will provide an informative study on the conditions, blessings and benefits of the Bible from both Testaments, with focus on the New Testament. Welcome to our second one year course of life building lessons for both new believers and seasoned Christians. Several more churches have opened up their doors for us to have several more Training Centers this year. Each class (lesson) is conducted in Kenya at each of the training Centers. Upon successful completion of the one year course, a Certificate of Completion will be issued to all those who pass the Final Exam. Honorary students will also receive a gift with their certificate. The graduations will take place during the Mission to Priceless Souls every year. Contact us below to enroll in this year's course. You can also find the Lesson Videos, view the Lesson Teachings and access the Lesson Questions for each lesson of the courses through our website below.

We pray and hope you will join us! Thank you for your consideration! "In loving concern for priceless souls"

A few of many glorious testimonies from the first one year course

"Praise the name of the most high God! As the one year course of the very first successful UNMASKING BIBLE TRUTHS SCHOOL comes to an end, I want to thank God for giving me the power to endure till the end. From the very first topic of "Understanding the Bible" to "Exercising Unlimited Authority Over All Satanic Powers" I have been equipped and have had a total turnaround of life perspective. I have understood that I am spiritual being and not carnal, therefore I can strictly compare spiritual things with spiritual and physical to the physical (carnal). I have learned to be kingdom-minded rather than burning my energy on perishable earthly desires! Glory to God! As we anxiously wait to graduate, I walk in the full authority I gained from Ephesians 6:10-17. Lastly, Apostle Jeff Weaver and my spiritual dad Apostle Geoffrey Namiti are such rare apostles of the 21st century. They have us at heart, having gained the Knowledge and giving it freely without school fees! Where on earth will you find such!? They delight when we get the correct Biblical doctrine. May the Unlimited God bless you! Seasoned student." From.....June Ekwenye.....

"It has been a great experience for me since I joined Unmasking Bible Truths College where I have learned so much as a believer, even things where I had been misled before. The one year course has equipped me with great knowledge of the word of God. I have learned that a believer without the word of God is very helpless especially when it comes to struggling against sin. I have also learned that it is possible to profess to be a Christian but still continue in sinful ways. Today as a result of these studies I teach the word of God in our fellowships with understanding. I have created a habit of examining my life on a daily basis and taking the word of God as a point of reference in order to ensure that I conform to the example of Christ (1 Timothy 4:16). I thank God so much for giving me the opportunity to study at UBTS and it's my prayer that God blesses his servants Apostle Geoffrey and Apostle Jeffrey for allowing themselves to be used of God in reaching so many people with the gospel of truth. God bless you." From.....Kennedy Wamukumbi.....

"Praise the Lord! I would like to thank God because of His good plans for me, how He purposed me to be one of students at Unmasking Bible Truths School. Actually for one year, I have gained a lot in my spiritual life. Many things I used to believe that are true, I declined them after I have received unmasked truths and as a result it has changed my perspective in my area of calling. Now I have a deeper revelation, deeper understanding, and also a strong faith that redeemed me from deception. I can now tell a diluted gospel and a true gospel. I have a lot to testify about the school, but all in all may the Lord continue lifting our two Apostles who have really snatched us from deception and given us a true tune of the gospel. I again say thank you great men of our most high God." From...Pastor Philip.....
