Jurisdiction Letter # 10

“A genuine leader is not a searcher of consensus but a molder of consensus.”

*Dr. Martin Luther King, Jr.*

As one reads this letter, it is my prayer that each Brother is being eternally blessed. We are all aware of the fact that the Most Worshipful Union Grand Lodge is a membership driven organization. Over the past few years we have observed a revolving cycle of men joining our great organization and sometimes leaving almost as quickly as they received their Third Degree obligation. We must do a better job of preserving our heritage!!!

Now that I have addressed the down side, we are still in need of good men to strengthen our foundation. I am asking that each lodge bring in a minimum of five Brothers this year, not sacrificing character for numbers. In addition, I would like for you to look at men of standard, who are upstanding men in your respective communities. **Remember we are an organization who takes good men and makes them better.**

Also, everyone must adhere to the policies which have been recently sent out regarding Degree Work. We will not take short cuts, but will continue to build the foundation of Prince Hall Masonry in the jurisdiction of Florida. Worshipful Masters, remember none of your members are eligible to join another house without being a Master Mason for a minimum of one year. If this is happening anywhere, I need you to bring this to the attention of your District Deputy Grand Master immediately.

Faternally,

*Walter Gulley, Jr.*
