

Sandra Lynette Ross – Class of 1974

My family home during high school was 5627 College, and I'm still there!

High School Memories

My siblings who attended Southeast were Paul Ross, Terrance Ross, Debra Ross-Taylor and Christopher Ross.

My most memorable classes and teachers were William Herron, Principal; Barbara McKinney, Math; Ms. Woods, PE; and Ms. Holloway, Biology.

During high school I worked at Metro 4 Theaters near the Landing and at the KC Call as Interscholastic League High School Sports reporter.

Following Graduation

After high school I went to KU and later graduated from Lincoln University, Jefferson City, Mo. Now, I am a consultant and Journalist/Educator (see my website at <http://www.angelfire.com/me1/nubianqueen> for a look at what I have been into.) I just returned back to USA from Africa in December 2009.
