Stu, I think your questions were very helpful, and got us moving in a better direction. It has all been pretty opaque to me as well, except that I've had the guidance of Nancy in order to get involved. It's great that things like the bylaws are being shared - I was trying to get them from the Secretary of State's office but hadn't managed to ask the right questions. (I did learn that articles of incorporation had been filed, and the annual fee to Secretary of State is being paid.)

Since Nancy suggested that the ones who are official members (I'm counting myself since I paid in December) spearhead a reorganization meeting within the next two weeks (whew!) maybe we should get going!
