

Loren D. Humphrey – Class of 1972

I lived at 6900 Agnes during high school. I had lots of siblings who graduated from Southeast-- Wilma, Lloyd, Larry, Herbert, Robert, Helen, Ruth, and Michelle.

I participated on the yearbook staff and the photography club, and I remember how the riots impacted our time at Southeast.

After high school, I started working for the Corps of Engineers where I've been for the past 38 years.
