one person at a time”

## Stable Life Inc.

## Sponsorship Package

In 2016 Stable Life Inc was created. Stable Life Inc. is a registered not for profit organization mandated to support people with mental illness through the provision of an Equine Assisted Peer Support Program for the purpose of offering alternative ways of living a recovery based life. The organization will support children, youth and adults the tools to learn coping skills for themselves. **Peer support** programs work by offering people support, encouragement, and hope that recovery is possible. Peer support considers the wellness of the whole person and focuses on health and recovery rather than illness and disability, in order to assist people in finding their own path to recovery. There is no "one-size-fits-all" approach to peer support. It can take many different forms. We provide Peer Support with the assistance of Horses.

## Mission Statement

Is to foster recovery and wellness with the help of a professional team using the Equine Assisted Program. To provide a self place that offers Children, Youth and Adults as well as Groups, the opportunity to move forward in life through interaction with the horses.

## Inspiration for the Spirit Horse Program

A beautiful horse named Tinker.  
In 2013, Tinker's human,  
Alison (Aly) Walsh lost her battle  
with mental illness at the age of 25.  
Her spirit lives on in her  
treasured best friend – Tinker.

Alison's family yearned for a way  
to capture their daughter's memory  
and it is through the relationship with Erin  
that the idea of Spirit Horse  
came to fruition.

Alison's family are confident that  
their daughter has a permanent  
smile ingrained in her face  
knowing that her beloved  
best friend, Tinker and Tinker's  
ability to help others with  
similar stories is her legacy.
