

ADVANCED SOUND THERAPY CRYSTAL SINGING BOWL PRACTITIONER

*"The universe was manifested out of the divine
sound; From it came into being the Light"*
Rumi

Crystal singing bowls create a unique and truly beautiful sonic universe for the recipient who experiences a therapy session. Your training during the 2 classroom days is transformational as the therapist gains a deep connection to these incredible instruments and learns to blend the tones and create an array of conscious altering and healing sounds.

This is a fully insurable course that you can offer to clients.

We offer classes in small groups ensuring a personalised teaching approach.
