## Iaso® Tea

The Original Iaso® Tea is powered by a unique proprietary blend of all-natural ingredients. Imagine a white tea, a green tea, and a great-tasting herbal tea combined up into one great product. That's Iaso® Tea.

This tea blend is a unique all-natural blend of nine essential herbs designed to cleanse the upper and lower intestines thus ridding the body of harmful toxins.

Enjoying eight ounces of this mild tea, twice daily, can provide you with dramatic results. Find out why some have even called this amazing drink a "miracle tea".

To prepare: bring one quart of water to boil. Add two tea bags into the water. Remove from heat and cover. Let the tea steep for a minimum of four hours.

Combine the steeped tea with three quarts of cold water to make one gallon of detoxification tea. Do not remove tea bags. Refrigerate.
