THE BRIGHT SPOT: A bucket filler is a loving, caring person who says or does nice things that make others feel special.

STUDENT OF THE WEEK: CAROLINE LOCASCIO (GRADE 4)

What kind of music do you like to listen to? Country My favorite smell is: Chocolate

Where do you like to shop? Dollar General

Three words that describe me are: SPORTY, CRAFTY, BOOKWORM

Caroline Locascio is Hudson's Bucket Filler of the Week! I appreciate Caroline for always having a great attitude. She consistently has a smile on her face and is a good friend to her classmates. Caroline takes her time on her classwork and completes it neatly and with great attention to detail. She is an outstanding example to the younger students at Hudson as well. Awesome job, Caroline! Keep it up! Ms. Mott

BELLS & WHISTLES: to Anita Fischer for filling in to cook for Lyndsi for a few days. - Mrs. Warmbrodt

Preschool: Hello, October! What a change in the weather. This is a good time to change out clothes in the backpack in case of an accident. Mornings are cooler, so please dress appropriately and carry a light jacket. We plan to go out as much as possible. Speaking of October, we have a busy month! Tomorrow we will visit the fire station for Fire Safety Week. We will talk a lot about fire safety this week. It is always a scary, but necessary conversation to have with your child. Designate a safe place outside your home to meet in case of a fire. Please make sure you have working smoke detectors. There is an attached list of important dates for October. We will go to the corn maze, carve pumpkins, participate in drug free week and have a Halloween party. All of these things will need some parent involvement. Please let me know if you are willing to help out! Don't forget to make your preschool payments! Have a great first full week of October! -Miss Stacie

Kind/1st: I hope everyone had a great weekend! The weather is starting to change, make sure you are bringing a jacket to school just in case! This week we are working on the letter "T", shapes, patterns, and oral positioning. We are still making progress on our book. We have a little less than a month to send it to our publisher. I hope everyone has a great week! -Mrs. Schenker

"Autumn is my favorite season." -Johnny Kelly

2nd/3rd: 1) We have a spelling quiz on Friday. We have a test in math on Tuesday! The kids covered a lot on Friday for Science, so their science test will be on Friday. It will be on animal adaptations and groupings. 2) We'll be working on ecosystems this week in science. In history, we're working on our communities, so keep an eye out for our community posters! Our in class project on that has been postponed until Wednesday. In Math, we're working on fractions. 3) We're collecting pop tabs. Hurry and send them in! Check out the website for school events coming up! Have a great week! -Miss Ettlin

4th/5th: 4th and 5th graders will be starting their first Lit. Circle of the year this week over the book "Maniac Magee". In Math, both grades will test on Tuesday. In Science, 4th graders will continue looking at food chains and 5th grade will be getting ready to test next week over Ch. 2 "Cells to Systems". In English, both grades are starting a new unit over nouns and will work through Unit 5 in VocabuLit workbooks. In Social Studies, 4th graders will start reading about MO history and 5th grade will read about the Boston Tea Party and the Declaration of Independence. Both grades will continue with multiplication tests and will quiz over 2's and 3's. Students need to practice these facts daily and will be tested over them orally on Friday. AR book requirements are due next Wed., Oct. 16th. Have a great week! -Ms. Mott

6th/7th/8th: As we're coming up on the end of the quarter, I have a few students still straggling in to the finish line on book reports. Please check with your child on where they're at with their book reports. NEXT QUARTER, the types of book reports will be the same, BUT there will be three required. This week, I will be sending home a notice about students' shoebox diorama projects which will be due on October 23rd. **Tests next week: Tuesday: 6-8 Science, Thursday: 6/7 Math, Friday: 8th Math.** -Mr. Ewing

DID YOU KNOW? Dr. David Miller and Amanda, at Noe, Miller & Miller in Butler, donate their time to Hudson students when they conduct our annual eye screenings? We appreciate all they do!

MUSIC: We learned a couple new songs on the recorder! 2nd and 3rd grade received theirs, and are starting to learn their notes. One more week and we begin Christmas Music! -Miss Stacie

CHARACTER ED: We will be talking about our new word for October, Camaraderie. Camaraderie is a mutual trust and friendship among people who spend a lot of time together. We will look at how this applies to us at school, at home and in the community! -Miss Stacie

NURSE TIP: An advisory has been released by the Surgeon General on marijuana use and its effect on the brain, please take time to read this important information. It is well worth your time to read!

<https://www.hhs.gov/surgeongeneral/reports-and-publications/addiction-and-substance-misuse/advisory-on-marijuana-use-and/brain/index.html>

BOX TOPS: The Box Tops program has gone digital. The new process is to download an App on your smart phone and enter our school. When you buy an eligible product, you can scan your receipt and the money goes to our Box Top account in real time. It is much easier than clipping box tops! During this transition period, some items will still have physical Box Tops that need to be clipped and sent to the school.

CONGRATS: Collin Campbell and Nolan Varns for having winning essays in the "Granny Smith Essay" contest at the Apple Festival.

Thanks to your support, the school earned \$353.58 from the Book Fair sales to purchase books for the school!

Please turn in Best Choice labels by the end of next week.
