**SUMMER 2020 PROGRAM REGISTRATION FORM**  
**June 25, 2020 – August 21, 2020**  
**Theme: Travel Around the World**

Welcome to Kaleidoscope's 11<sup>th</sup> Summer Program! ECDC Kaleidoscope stands for its name and is known for exposing children to different cultures, languages, music, art, and of course hands-on science activities.

This summer, we will "travel" to France and Hawaii! We will explore their geography and culture including music, arts, literacy, and culinary science. We will spend 3-4 hours/day on our own 1,521 ft<sup>2</sup> outdoor playground perfecting our gross motor, teamwork, communication, and collaboration skills; tend to our outdoor garden; and observe our snail communities. Children born in 2015 will participate in local trips and play in Prospect Park every day (weather permitting).

Our spacious, air conditioned, and clean classrooms are equipped with high quality child sized furniture, educational toys, and age appropriate books. We offer healthy hot meals and snacks prepared on site. Our summer program is led by Kaleidoscope's highly qualified and experienced teachers and teacher assistants.

We offer a full day, 5 days/week, Summer Program for children born in 2016 and 2015. There is a minimum of four-week registration. The weeks do not have to be consecutive.

We offer two-way transportation for children from the Windsor Terrace/Kensington vicinity for \$6/day.
