

E's Modest Consulting (EMC) is here to help...

Let us help you start your business as well as work with you along the way to ensure a strong technical and financial infrastructure.

We can help you answer the following questions:

- Do you have a passion?
- How about turning your passion into dollars!
- You will need a business plan!
- Need help understanding a Limited Liability Company [or LLC], a sole proprietor, or a company and what fits your needs best?
- Will you need employees?
- Will you operate out of your home or will you have a separate office location?
- Will your passion require you to travel?
- Business certification in your state?
- Internal Revenue Identification [or IRS ID]....
