

## Happy New Year!

A new year means innovative and exciting events happening with Once Upon a Dog Tail. 2014 was a great year to start a pet sitting/dog walking business. We developed a great client base with amazing animal friends to work paw in hand with. Thanks to all my clients and supporters for a wonderful start to my business. Please check out all the new updates and continue on this animal adventure with us!

## Payments

• • •

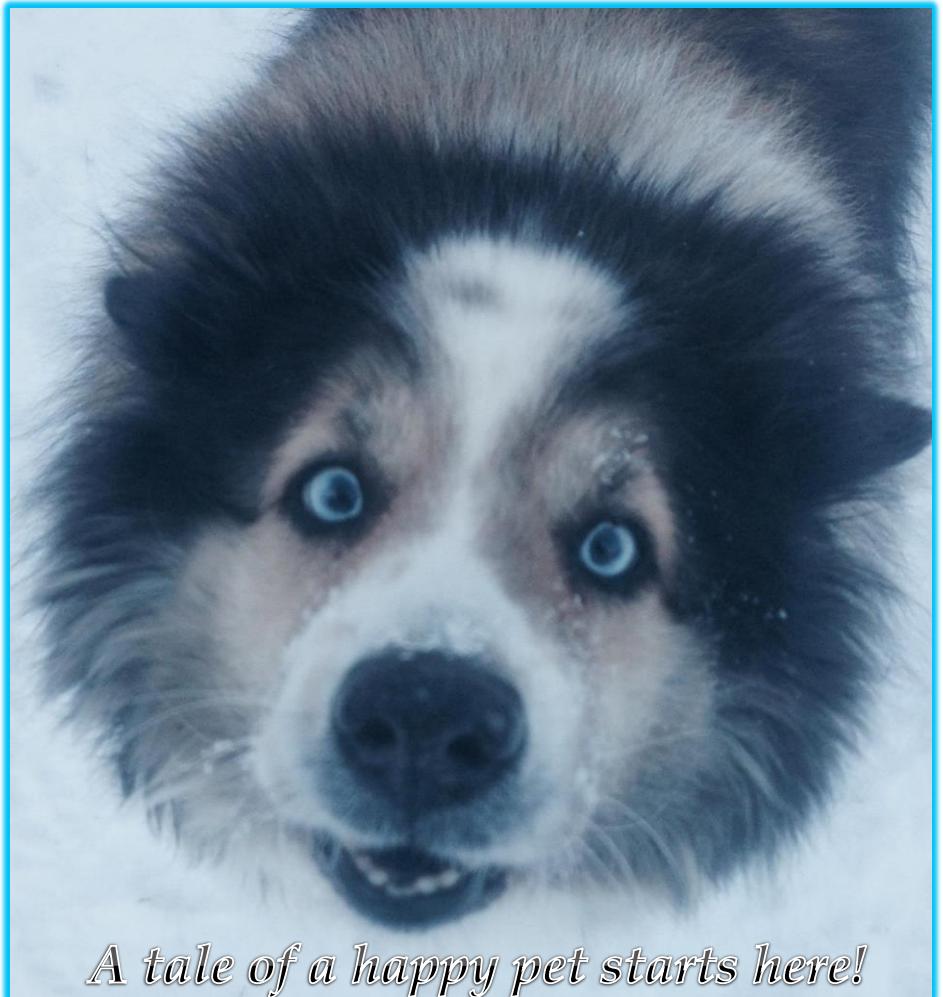

You will now have the option to pay with your PayPal account, credit cards and Square Cash. Square Cash is recommended because of the ease of payment through email/text which is also free of charge for both sender and person requesting. Square Cash is also offering \$5.00 to people who are invited to try it out (for a limited time). Ask me for an invitation and we can send you an invite with the payment requested for services. I'll also add an extra \$5 off your next service for trying this out!

Cash and check continue to be acceptable forms of payment. Our goal is to make your life easier. Sometimes searching for those dollar bills is difficult during these advanced times!

\*Please make payments at/before the time of service, unless previously discussed.

SHARE US ON YOUR FACEBOOK  
You will receive \$5.00 off next service.  
Please let us know!

*A tale of a happy pet starts here!*

## Service Contracts

There will always be the 'not so pretty' part of a job! The Service Contracts are part of that. The client input and service contracts have been revised in order to enter all important information of each client and their pets. We want to make sure your pets are well taken care of and that all information is current. Certain policies have been established which will apply to all clients for the safety of staff, clients and pets. A copy will be emailed to you or given to you to complete. If you would rather go over the information and relay it on the phone, please call and Cara will be happy to write down the information on the contract for you. A signature will be required and copy given to you.
