About Us

Established in 1981, Peninsula Hardwoods, Inc. offers a wide variety of hardwood mouldings and millwork including casing, base, and crown. Additionally we manufacture S4S lumber as well as custom millwork. Our stock domestic hardwood species are Poplar, Red Oak, White Hard Maple, Cherry, Walnut, White Oak, Ash, Hickory, Quarter Sawn White Oak and Alder. We also stock Honduras Mahogany, Teak, Spanish Cedar, and Brazilian Cherry, Radiata Pine. Our shop is geared to help you with any hardwood moulding need.

S4S LUMBER All of our hardwood boards are manufactured in our own facility. Our S4S boards are guaranteed to have one clear and sanded face and two defect free edges. Visit our website for our list of our stock hardwood S4S. Please contact us for pricing and to confirm hardwood species availability.

CUSTOM MOULDINGS At Peninsula Hardwoods, Inc. no moulding order is too small. It is important to us that you get exactly what you need - when you need it. We have the experience to duplicate a moulding to your exact specifications, can handle short lead times and provide quality mouldings to match your expectations.

SERVICES Peninsula Hardwoods also offers and provides many different millwork services to help meet any of your needs including: Surface Planing, Gluing, Straight Line Ripping, Moulder Blanks, Custom Millwork and Specialty Woodwork.

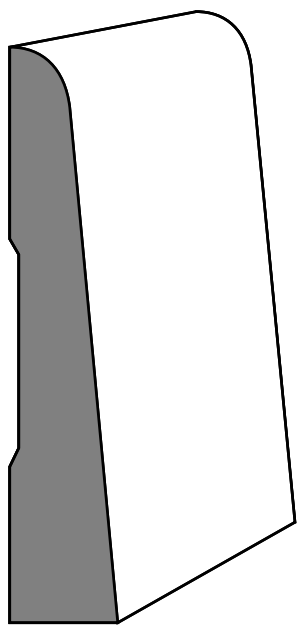

Peninsula Hardwoods has a history of manufacturing individual hardwood components. Whether bed slats, custom handrails, glued panels, thresholds or pieces cut to length, we have the capability and staff to handle your what need. We provide the kind of personal service and quality products you expect from a family-owned business. Our knowledgeable staff is always here to help you!
