Specifications

Attribute	Description
Physical Form	Green Liquid
Odor	Pleasant
Solubility	Complete in Water
Foam	Moderate
Viscosity	Water-like
pH (typical)	13-13.5
Flash Point	Not Applicable

Dilution Ratios

Use	Dilution
Heavy	Straight - 5:1
Moderate	5:1 - 10:1
Light	10:1 - 20:1

DOT Classification:
Not Regulated

Available In

Part #	Size
141627	5 Gal
141625	55 Gal.
141629	Bulk

HC-36

Tech Data Sheet

HC-36 is an outstanding general purpose cleaner for use on machinery, walls, floors, food processing equipment, vinyl, and most industrial surfaces. It quickly penetrates and suspends grease and oil from their surfaces for easy removal.

Benefits

- Excellent degreasing ability
- May be used with hot or cold water
- Easily rinsed
- Safe for use with pressure washers
- Safe for use with automatic scrubbers
- Biodegradable
- Non-Corrosive

Applications

- Degreasing: vehicles, engines, frames, garage floors, driveways, hoods, vents, tractors, lawn mowers
- Floor scrubbers
- Sealed concrete floors
- Safe on painted concrete floors

Precautions

- HC-36 should be wiped away and/or rinsed thoroughly. DO NOT allow cleaner to dry before rinsing. It is recommended you test this cleaner in an inconspicuous area on the surface before starting cleaning.

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap concentration may be adjusted to compensate for changes in these conditions.
