

The support of our donors helps further our mission: *to care for others as we would care for those we love*. The level of care and service we commit to deliver far exceeds the level of reimbursement we now routinely receive. As a local, not-for-profit organization since 1915, we have relied on our partnership with the community to help us support and fulfill our mission.

If you choose to give to Riverside, you can rest assured your gift will make an immediate impact. Gifts to the Riverside Foundation are applied 100% to the fund or scholarship you choose to support.

## 1915 Club

Riverside Health System's remarkable history began in 1915 with the first hospital planned for Newport News (Warwick County at the time). Today we are proud to honor that history and Riverside's founding year with our 1915 Club annual giving society, which celebrates our community members' investment in our future.

## Your Investment

At Riverside, every donation is *remarkable*. Riverside's 1915 Club members provide annual leadership gifts of \$1,000 or more. This strong network of donors represents individuals, corporations and other organizations, within our eastern Virginia communities, whose combined giving provides immediate and direct impact on the Riverside Health System.

Your gift is an investment in the communities where you live and work that allows Riverside to transform the definition of care with advanced technology and a depth of services, providing the greatest quality of life for you and your neighbors.

## The Benefit

While giving is its own reward, an annual gift of \$1,000 or more qualifies you for special recognition and opportunities to play a larger role in our mission.

When you join 1915 Club, you will be recognized publicly and receive exclusive access to invitation-only events with your fellow supporters, Riverside leadership and physicians.

## Support Remarkable
