- **Caution laps will not count.**
- On all starts and restarts the front row must maintain the pace established by the pace car and will be signaled to do so, on the one-way radio, if in the judgment of the Super DIRTcar Big Block Modified Series Officials, the pace is not maintained a penalty and/or penalties may be issued.
- The leader is the control car on all starts and/or restarts. Only the leader has choice of inside or outside on starts and/or restarts.
- When the caution is displayed, get into single-file order, you will be signaled over the one-way radio when it is time to go double-file and/or restart single file.
- If the caution is displayed and you must pit, you will not lose a lap in the pits. You may only lose a lap on the race track under green flag conditions.

- If at any time the red flag is displayed and competitors are signaled to stop due to a red flag condition, cars must come to a complete stop. After the field is stopped and is under control of the pace car, Super DIRTcar Big Block Modified Series Officials, will instruct any vehicle not involved in the red flag incident that needs to pit for service, to pull up to the pace car prior to being released to the pit area on the one-way radio. Any car that pits during the red flag period will be required to restart at the tail of the field in their respective position. If any car heads to the pits without following the instructing over the one-way radio, a 1-lap penalty may be issued.
- There will be one (1) car eligible for the 'EZ Pass Reward' on each caution. The only car eligible will be the first one (1) lap down. The 'EZ Pass' car will be signaled over the one-way radio to pull up behind the pace car, but must not proceed past the pace car until instructed to do so on the one-way radio.
- All races may end with a green-white-checker finish.
- One-way radios are mandatory – two-way radios will not be permitted.

- Immediately following the conclusion of the event, the first place car needs to go to the scale first, then we need second and third to the scales and to victory lane.
- World Racing Group, Super DIRTcar and/or DIRTcar Officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration.
- **If at any time you intentionally stop on the race track to cause a caution and pull to the pits and change a tire that was not flat, you will be penalized one lap and will not be eligible for the EZ Pass for the rest of the event.**
