Third Group PJ Day

As we launch into spring and get even closer to our picture days and recital, I want to remind everyone of a few very important things! There are extremely important dates (including makeup classes) listed in this newsletter, so please read through carefully and mark dates on your calendar. While I try to send reminders via email, it is so important that these dates are a part of your schedule so you can plan in advance and your dancer won't miss anything important. ☺

Reminder: Please remember to bring both sets of shoes to practice as we start learning our new dance, session 2. We will continue to use our first pair of shoes and may use both pairs in one class since we will review our first dance on occasion. Your second pair of shoes will be available for pickup at your next class. Please put your dancer's name inside both pairs of their dance shoes.

The signs that list the location of classes, whether upstairs or downstairs will also list which shoes your dancer should wear first, whether ballet or tap. This only applies to First-Third Group.

Everyone should have all of their shoes necessary for class at this point. All shoes need to be purchased through us so everyone matches for pictures and the recital. If you forgot to have your child sized for a pair, please talk to Tina. There will be a \$9 shipping fee since our last orders should have been in on Wednesday February 13.

A Note From Mrs. Tina: Please mark the tag on the inside of your dancer's tap and ballet shoes with their first and last names. If they get mixed up, we will easily know whose is whose! Thank you! 😊

All makeup classes are of equal importance and everyone needs to attend. They are treated as regular classes. Thank you!

Costume prices will be handed out in March. The \$50 costume down payment will be subtracted from your total.
