*****IS THE WEATHER GOOD FOR FLYING? CALL THE FLIGHT LINE (702) 209-0439 for a weather update or to check meet /pick up times! *****

Flight line is updated after 9 PM the evening prior for morning flights and 11:30 AM after afternoon flights.

Check In & Flight duration:

Meeting time is always subject to change for both morning and afternoon flights.

Meet time is typically 30 to 60 minutes prior to sunrise or 2 to 3 hours prior to sunset.

This is why it is very important to call the flight line!

Please arrive on time. Late arrivals may not be accommodated.

Ballooning and Weather:

All hot air balloon activity is weather and safety permitting. The pilot has the right to cancel the flight for any reason.

Here are some reasons you may be asked to reschedule –

- High winds – ballooning required light winds for flying. Typically less than 7 MPH.
- Rain / Thunderstorms – If there is rain within 50 miles or thunderstorms within 75 miles, you may be asked to reschedule.
- Low ceilings – The lowest cloud layer, are we able to see where we are going? Typically we need a ceiling greater than 8,000 ft to fly.

* more information found on next page *

Lost on the Morning of My Ride:

If you are lost on the morning of your flight, please contact us immediately.

Flights meet at PT's Tavern at 6570 S Buffalo Drive, Las Vegas or at 10520 S Las Vegas Blvd, Las Vegas

Please contact the flight status line to clarify which PT's we are meeting at.

Flight status line – (702) 209-0439
