

I MASK

hydrating hydrogel sheet mask

product

This 3-D hydrogel mask delivers instant hydration to soothe and refresh dry, depleted skin. Formulated with a powerful blend of amino acids, antioxidants and aloe vera to support the appearance of replenished and deeply hydrated skin. Hyaluronic acid helps to draw water to the skin, while mineral-rich Onsen-Sui and Jeju volcanic waters leave the skin dewy and revitalized. Hydrogel technology supports efficient delivery of ingredients for ultimate hydrating recovery. Newly redesigned with improved functionality and better grip for a universal fit.

skin type

All skin types, dry or dehydrated skin, sensitive skin, dull skin, post-treatment.

benefits

Provides instant and continuous hydration to dehydrated skin; soothes and cools fatigued skin; relieves dry, dull or depleted skin; delivers antioxidant benefits for healthy looking skin.

directions

Gently cleanse the skin before application. Remove mask from foil packet. Unfold and drape the mask, gel-side down, over the skin. Hold tabs at the upper part of the mask and remove the fabric slowly, leaving the mask in place on the skin. Smooth out air bubbles with fingers if needed. Leave on for 5 – 10 minutes or until absorbed, then discard. Gently massage remaining essence into the skin. Do not reuse.

pro tip

Use after any treatment to soothe and hydrate the skin.

key ingredients

Hyaluronic acid	A natural humectant that can retain up to 1,000 its weight in water to draw vital hydration to the skin
Onsen-Sui and Jeju volcanic waters	Hydrating and therapeutic Japanese waters that are naturally high in nourishing minerals
Green tea extract	A well-known antioxidant that helps to protect skin against the effects of environmental damage
Red wine extract	An antioxidant with high levels of polyphenols to defend against visible signs of aging
