Dear Auxiliary Brothers and Sisters,

My name is Janey Feher and I am Kentucky's candidate for the High Office of National Guard at the National Convention in Reno next July.

I have held offices on the Auxiliary, District, Department and Southern Conference levels and just completed my 2 year stint as a National District Council member – a position that was an incredible learning experience.

I hold an Associate and Master degrees in Recreation Administration as well as Elementary Education including a Rank 1 and am now in my 28th year of teaching.

I love the workings of the Auxiliary on all levels. I feel that the combination of all the things I have done is a great stepping stone to National Guard.

I will not say that I know everything there is to know. I don't think anyone can say that. But I am like a sponge - I love to soak in everything I can in order to help my Auxiliary brothers and sisters and our active military and their families.

I am looking forward to traveling to the upcoming conferences and meeting you, the members. Hopefully it will work out that I will even visit your state!

I want you to know that if elected, I will promise to do my best and work hard for this organization. I will be there to help open new doors and charter new waters as we continue working for our Veterans and their families.

As I will say throughout this campaign, this is not an "I" organization but a "WE" organization. Together, I know we will make this organization become recognized as one of the most important ones to our Veterans. We have the opportunity to help so many. I know we continue to do this as we move the Auxiliary forward. I sincerely hope that I can be part of that growth and be your voice on the National level.

I look forward to meeting you during the coming months – please don't hesitate to come up to me and introduce yourself. I would be more than happy to answer any questions you might have. If you would like me to visit your state, let me know.

Once again, thank you for all you do for our Veterans and their families. I hope that you will consider me, Kentucky's Janey Feher, when you decide to cast your vote at the National Convention in Reno, Nevada next July. I know that I will be humbled to be elected to the High Office of National Guard and promise that I will do everything I can to make you proud.

Have a great year!

Janey Feher,
Kentucky's Candidate for the High Office of National Guard

Growing up, I was always around the VFW as my Dad was involved as long as I can remember. As a lifetime and charter member of VFW Auxiliary 11139 Bell County Memorial, I believe our Veterans and their families need our support and love.

As a teacher of 27 years, teaching patriotism in our schools has always been important to me as I feel children can help spread the importance of respecting the flag and our patriotic values.

I will always continue to be a spokesperson and promote this great organization to others. It is a privilege to listen to ideas from others, support our phenomenal programs, and inspire others to participate and be part of our great organization.

We are strong and need more members to be stronger. I know that each of you will join me in the continuation of promoting our programs and love for Veterans and their families as we ask others to join us.

I joined under the eligibility of my Dad, Al Feher, a World War II Veteran and Past Department Commander. He was a huge influence in my life and installed me as Department President. During my year as President he traveled everywhere with me and became known as “Daddy Al” to everyone.
