

## Getting Started

SavvyLevel for Caravan

SavvyLevelRV for Motorhome/RV

SavvyLevel™ or SavvyLevelRV™ are free apps 'one of which' needs to be installed on your smart phone so that it can communicate with the SavvyLevel device installed in your Caravan, motorhome or other RV. SavvyLevel uses Bluetooth® low energy connection.

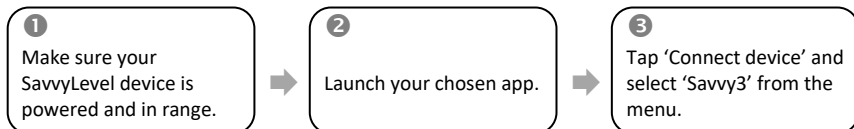

For use with:

- iPhone, iPad 4 or newer models
- Android™ v4.3.1 (Jelly Bean) or later.

SavvyLevel apps are available on the App Store and Google Play™. Search for either 'SavvyLevel' (for a caravan) or 'SavvyLevelRV' (for a motorhome or other RV), then download and install the app.

It's as easy as 1, 2, 3 ....
