  ACCOUNT

  5342 3552 4544 2464

  YOUR NAME 03/17

  MasterCard
- Does not pull from account
- Online spending records + notate expenses
- No commingling of funds with other accounts
- Protection limiting of merchants, no cash access, no overdraft
- Text alerts to monitor spending, low balances

## SSI Considerations

- Balances over \$100,000 count as a resource but SSI merely suspended, not terminated
  - (Your account balance will not affect Medicaid benefits, though, regardless of the amount)
- If you hold on to the money from one calendar month to the next, then housing expenditures and non-qualified expenditures count as resources
- Beneficiary's own wages still count as income even if contributed to WYABLE Account

# If Account Holder Passes Away

- Account will pass to the account holder's estate
  - The estate administrator notifies STABLE and can take over account access
  - No designated transfer upon death
  - Account will go through normal probate process
- If Beneficiary was on Medicaid, Medicaid can ask for payback in some cases. BUT! Medicaid does not get first bite at the apple. The estate can first:
  - Pay any outstanding bills for QDEs
  - Pay for funeral and burial expenses
  - Deduct Medicaid Buy-In premiums you paid
- Medicaid Payback is only from date the account was opened
- Money in a WYABLE account is better protected from Medicaid payback than money in other bank accounts

## Account Cost

Monthly **Maintenance Fees**  **Asset-based Fees** 

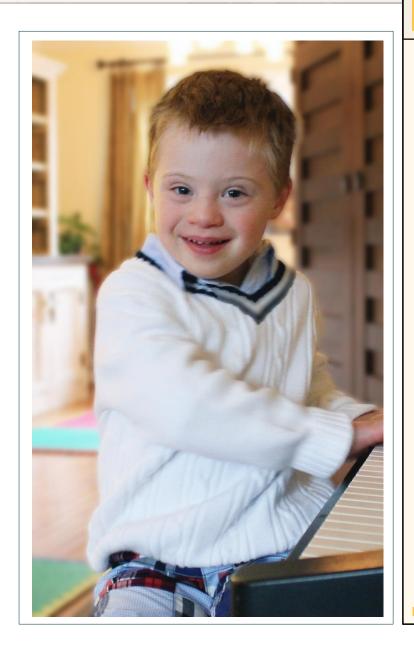

\$3.50 (\$42.00 Annually) Between 0.19% and 0.33%

## WYABLE & Special Needs Trusts

  - Cost-Effective
  - Broader spending power (i.e. housing)
  - Easy account access
  - No federal or state income tax on earnings
  - No separate tax returns to file
