provide unmatched polygraph training."*

### About APS Polygraph School

Our objective here at APS is to provide our students with the best education and training in the best practices of the polygraph profession. This comprehensive instruction consists of the most scientifically reliable, valid and up-to-date principles and techniques.

Our training will prepare students to perform ethical, valid, and reliable single issue, event-specific issue and multiple-issue exams proficiently. Our courses are designed to provide the highest quality, tailor-made instruction in both the classroom and laboratory settings. Upon graduation, students will be ready to effectively conduct screening and diagnostic polygraph examination techniques.
