## ONE-TLC News

Suzy, Rosemary and Carol joined Jackie last Wednesday for a day of co-creating and painting fun in preparation for the 12 Rays of Light Ceremony in July. They initiated their art work and the newly acquired crystal with the energy of the 12 Rays to begin the infusion process in readiness for the Ceremony. New insights came forth for a glimpse of the 'bigger picture' as well as details for further preparation.

During our recent Board Meeting, Merlin's Presence made itself known. We were asked to make his energy and wisdom available to those interested here at ONE-TLC. If you are curious, ready to move forward, and want to receive 'Merlin's Gems' let us know and together we will choose a designated time to meet. We were given the name: Meeting of the Magi. RSVP

## Message of the Month

Every Monday morning we have a Board Meeting and an  
informative message is channeled from an Intergalactic  
Ascended Master. Following is the most recent message:

*“Learn to Receive (Graciously)”*

*“This sounds easy - this appears admirable - this is  
the crux, catalyst, and core of manifesting realities.  
Shifting beliefs from ‘I have to do something to make  
something happen’ to ‘I AM, therefore, all life comes  
to me with ease and joy... graciously.’ If there was  
one core belief to embrace more fully, it’s this one.”*

## 12 Ray Consciousness

Ray One carries the frequency of the color Red and is  
governed by Master El Morya. We can invoke this Light when  
we desire help in achieving goals or overcoming challenges.

The qualities of this First Ray are **courage, confidence,**  
**determination, strength, bravery, action, boldness, & focus.**  
The higher levels reflect **straightforwardness, fearlessness,**  
**and accomplishment.**

Coming next month: Ray Two ~ Master Joshua
