

ALI RAHIMIAN MD

Hello!

Rahimian and Associates is excited to announce a one-day aesthetic event in partnership with CareLife Style! Patients have been asking Dr Rahimian about non-surgical fat reduction treatments. Due to the demand, Dr Rahimian has sought out CareLife Style - a leader in non-surgical body sculpting - to host a one-time, in office event.

**What:** truSculpt Body Sculpting

State of the art technology used to reduce stubborn pockets of fat in a non-invasive, comfortable, one hour treatment that requires no downtime.

**Where:** Rahimian and Associates

8133 Leesburg Pike #540, Vienna, VA

**When:** Friday, November 9th

(note: only 6 time slots available!)

**Special Event Pricing:** \$2100 for 4 areas    **(Standard Pricing:** \$3000 for 4 areas)

(Dr Rahimian has negotiated a discounted rate for this event that saves his patients 30%)

If you have been thinking about non-surgical body sculpting, now is the perfect opportunity to diminish that stubborn fat!

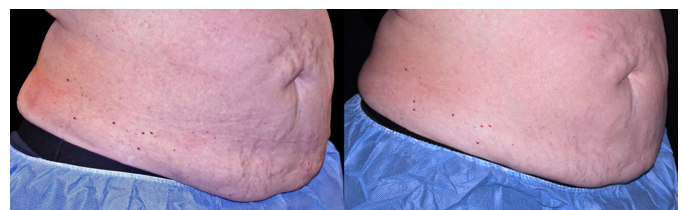

**Fair Warning:** Due to time constraints, we are only able to offer treatments to 6 patients. This will be done on a first come, first serve basis. Talk to reception about booking and reserving your treatment today.

To your happiness, health, and wellness!
