Riding Lesson Packages

The Riding School offers lessons to all levels and ages of students who don't yet own a horse. Riding School lesson prices include instruction as well as the use of a safe lesson horse.

Tuition for riding lessons is pre-paid at a fixed monthly rate.

Orientation \$85.00

In this introductory lesson, students will be taught how to safely halter and lead a horse, and how to groom and tack up to prepare their horse for a lesson. First time riders are given a mini-riding lesson learning how to mount up, sit in the correct position, steer and halt at the walk and safely dismount. For more advanced riders, the instructor will give you an evaluation lesson to determine your skill level and discuss your goals. A lot of information is covered in this one-hour lesson and it's a great way to get started whether you are a first-time rider or returning to the sport.

Bronze \$200.00 monthly tuition

This package is designed for riders ages 3 -8 years old. Lessons are once a week for 30 minutes. Children experience petting and brushing a pony followed by a ride of approximately 15 to 20 minutes. The pony is led to insure the young rider's utmost safety.

Silver \$340.00 monthly tuition

Available for beginning through intermediate riders ages 6 years old through adults! Once a week lessons give our students an excellent foundation in the basics of Hunt Seat riding.

Gold \$640.00 monthly tuition

For students wishing to progress at a faster rate, consider moving up to twice a week lessons. ***Jump lesson students are required to participate in two lessons a week, no exceptions.***

Platinum \$900.00 monthly tuition

The riders in this program ride three times a week in a lesson. The Platinum Level is well suited for students preparing to purchase or full lease their first horse or pony.

Equi-share \$840.00 monthly tuition

Included are two lessons and one practice ride a week. Equi-share horses or ponies are shared with the Riding School program. Trail riding is not allowed. Your participation in this program is with your instructor's permission.

Practical Horsemanship Class \$45.00 per class

A two- hour theory and hands on class about all aspects of horse care, such as; feeding, hoof care, first aid, bits and biting, tack, training, braiding, clipping, horse anatomy and so on. Guest speakers may be featured from time to time. Practical Horsemanship Classes are held over a 6-week period, twice a year.
