

Welcome 'CD' and his Family

CD, AQHA, 3, Gelding

CD hails from an east Texas cutting horse ranch and a long line of NCHA champs.

He owns Kathy, Jay Groppe, Ph.D. and their daughter Caroline.

Caroline said she grew up around horses; thanks to Jay's farm in West, TX. Kathy and Caroline

didn't want to have to go that far for their daily horse fix and didn't hold Jay up when they found him spend hours drooling over horses online.

The result was CD whom Kathy said 'had to be the hunk of the online dating service.'

CD loves the way Caroline smells and acts like he'd sit in her lap if he could.

Talk about a food oriented guy, Caroline calls him a real 'chow hound.'

"He's a really good boy," said Kathy. He's as friendly as a dog and loves our constant contact."

CD has also been seen entertaining Caroline and her best friend. The three of them laugh and have fun for hours after school.

"CD has become more confident and frisky since he's been at WRS," said Kathy.

Even though they have spent a lot of time riding in WY over the years, Kathy and Caroline have a goal of letting CD help them become real horse women.

Meanwhile, if you see CD gazing longingly out his window, just know he's still looking for a few good cows.

Debbie and Greg Howison just returned from *October Fest* in Munich, Germany and asked that we NOT show this pic to divas *Kodak* and *Twister* :)
